BACK TO SCHOOL WITH YOUR LIBRARY CARD!

Did you know the most important school supply is a membership card to your local library? September is library card sign-up month. The library is a community hub of activity. Your library card gives you free access to books and computers, homework help, assistance with resumes and job searches, audiobooks, DVDs, and much more.

During September, when students who live in our service area apply for a library card or renew an existing card, they will receive their choice of school supplies. Such as a pack of college-ruled filler paper, paper clips, push pins, etc. Supplies are limited!
